Audio Interview: Making Decisions about Testing and Treatment for Your Patients

Eric J. Rubin, M.D., Ph.D., Lindsey R. Baden, M.D., and Stephen Morrissey, Ph.D.

The rapid spread of SARS-CoV-2, a novel coronavirus that emerged in late 2019, and the resulting Covid-19 disease has been labeled a Public Health Emergency of International Concern by the World Health Organization. What physicians need to know about transmission, diagnosis, and treat-

ment is the subject of ongoing updates from infectious disease experts at the *Journal*.

In this audio interview conducted on March 10, 2020, the editors discuss the care of two hypothetical patients who present with equivocal symptoms.

An audio interview with Eric Rubin and Lindsey Baden is available at [NEJM.org](https://www.nejm.org)
