FRANÇOIS-XAVIER LAHAYE

Sales Director Iberia & Latin America for BVI.

François-Xavier Lahaye is currently Sales Director Iberia & Latin America for BVI.

He has a business degree focused on management and finance from the University of Liège in Belgium. He speaks fluently French, Spanish, English and Portuguese.

He joined PhysiOL in January 2007 to develop distribution network worldwide. At that time, PhysiOL employed about 35 person. Today, PhysiOL belongs to BVI group. They employ about 1.350 person worldwide and are producing a complete range of ophthalmic devices in 6 different sites (across Europe, China & Mexico).

FX Lahaye launched the first preloaded IOL during ASCRS 2007 and first Trifocal IOL, FineVision, during ESCRS 2010.
